Expected Student Outcomes (Christ-Like, Compassionate, Competent)

Hurricane Helene did extensive damage to the facilities of Asheville Christian Academy in NC. We set a goal to raise \$1,000 for their restoration efforts in an attempt to show hospitality to our brothers and sisters in the Asheville community. We are so excited to have exceeded our goal thanks to the generous donations of so many of you. Thank You! We will update you next week on the total donated to help ACA.
